## A Special Moment

Today is Mother's Day. (Guys, if you forgot, it's too late now!) Contrary to some opinions, this holiday was not invented by the greeting card companies. This observance *began* in the church in 1907 as a way of honoring women.

This morning, after the message, we will have a special moment of honoring mothers and women. The children will be coming up from children's church and they will be handing out flowers. They will be seated in the front row. The older children are welcome to join them in the front as we reprise "Be Thou My Vision." After this special time, we will be sending your kids to join you as we conclude the gathering with a word of prayer.
