MESSAGE FROM THE SCRIPTURES

YOUR ESCHATOLOGY MATTERS,

Eschatology is the study of the end of things, whether that is what happens when we die or how the world will end. For many, it is the brooding Goth kid of theology. But eschatology is not dark. A biblical eschatology is full of hope, abounding with the expectation not of gloom but of joy and restoration, creation being reborn with Christ in His rightful place as King. Have a biblical eschatology, **AND YOU WILL PRAY WITH A BIBLICAL HOPE.**
